

# GLOBAL 6K FOR WATER

May 6, 2017

Join Oak Hills Church and Coker United Methodist Church in a family fun run for clean water in Africa. The event is Saturday, May 6 at 9 AM at Coker UMC, along the Salado Creek Trails. THIS SPRING, CHANGE A LIFE. Walk, run, or push a stroller with us at the World Vision Global 6K for Water. Each registration provides lasting clean water to a child and on race day, you walk/run with a picture of a child who will receive water thanks to your registration fee. Coker UMC Pastor Adam Knight and Oak Hills Church North Central Campus Minister Rich Ronald will be there. Join them to bring life and joy to children in Africa through World Vision's Clean Water programs. Bring your family and your neighbors!

In case you're wondering "Why 6K?" Six kilometers, or 3.7 miles, is the average distance a child or woman walks twice each day in Africa to get to water. And that water isn't always clean water. By joining us, we can bring clean water to a village in Africa. Now, those children will have time each day to play, go to school, and do the things that children do!

The family fun run will be an out-and-back starting in the Coker parking lot and proceeding onto the Salado Creek Trail where it reached Blanco Road (approx. 3k or 1.85 miles).
